BATTERY LIFE

UNTAME THE POWER OF THE SUN Greenlight Planet's Sun King™ Pico redefines portable light. With its built-in solar panel and a 360-degree tilt, the Pico combines adaptability and reliability into a compact package. The Sun King™ Pico is an ideal home or travel accessory that provides up to 72 hours of light from a full charge. What's more, the lamp system comes with a 5-year battery life and a 2-year warranty. With so many features packed into one, Sun King™ Pico is a must have personal power system.

UNBEATABLE SOLAR PANEL DURABILITY

Unlike other products in its price range, the Sun King™ Pico features a built-in industrial-grade glass protected solar panel, which is far more durable than alternative enclosures such as polycarbonate or epoxy.

BREAKTHROUGH DURABILITY

Drop it, stomp it or splash it. From its water-sealed, nearly unbreakable polycarbonate shell to its durable steel stand, the Sun King™ Pico is built to last in tough environments. Its longer-lasting, quality-tested components set the gold standard for product lifetime.

LIGHT RUNTIME AFTER ONE SUNNY DAY OF SOLAR CHARGING

Low Power Mode	2 lumens	72 hours
Normal Mode	13 lumens	12 hours
Turbo Mode	25 lumens	06 hours

*Conditions apply for normal use in optimal scenarios

TOP USES FOR THE SUN KING

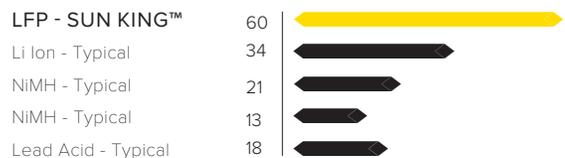

- Reading light
- Backpacking
- Emergencies
- Nighttime walking
- In attics / closets
- Nightlight
- Camping
- Power outages
- Biking
- Crawl spaces

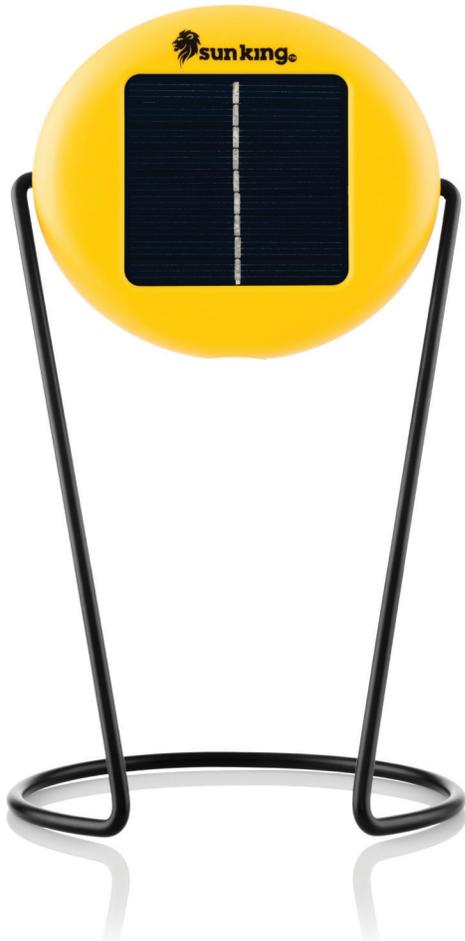

REVOLUTIONARY BATTERIES

Sun King™ Pico uses a revolutionary Lithium Ferro-Phosphate (LFP) battery. Efficient, stable and ultra long-lasting, LFP is far superior to even Lithium-Ion batteries (which themselves outperformed the old NiMH, NiCad and lead-acid batteries) making it a leader in the solar light industry.

BATTERY LIFE (IN MONTHS)

SUN KING™ PICO TECHNICAL SPECIFICATIONS

LED	Power LED with 25 lumens total flux Minimum efficacy 150 lumens per watt
Battery	1.2 watt Lithium Ferro-Phosphate (LFP) Battery
Solar Panel	Built in 35 mW, 4.5 volt Polycrystalline panel
Enclosure	Polycarbonate & ABS IP64 rated, water-resistant enclosure
Power Control	Battery management technology automatically switches to low-power mode when battery is running low, yielding additional hours of light

FLEXIBILITY

The Sun King™ Pico is nimble and can be used in a variety of ways; from hand-held to wall mounted. The 360 degree tilt allows you to have light where you need it, when you need it.

PERFORMANCE

The Sun King™ Pico is an all-in-one solution for providing light anywhere you need it- at home or in the most remote locations. With superior features, including 3 different lighting modes and up to 72 hours of operation per charge, its a big force to be reckoned with in a small package.

HAPPY USERS AROUND THE WORLD

Present in 40+ countries, the Sun King™ family of products addresses immediate needs of adventure lovers around the world. High production quality and attention to durability ensures that Sun King™ customers can enjoy reliable performance for years and years. Around the world, the Sun King™ family strives to create an environment that empowers users to reach their potential and grow into happier, healthier and more productive people. **#GreenlightPlanet**
